ABOUT US

Alwand Scrap Trading company is located in Doha Qatar, one the growing companies engaged in buying and selling wide range of scrap metals.

The core operations of Alwand Scrap Trading W.L.L is focused to ensure best price for the metals and to cater the specific metal needs of our customers.

Our mission further extends in to our external environment, and our commitment to working together with our business partners, community organization and interest stake holders to improve our environmental quality and process towards a clean and safer place to leave and work for our future generation.

Our scrap metals business provides a way to keep scrap metals out of landfills while at the same time providing raw materials for reuse in other products.
